Gentleman:

Our Nuclear Materials License No. 52-21325-01 expires on September 30, 2024. It is our understanding that sites which have been authorized by NRC for a period of ten years, can request a license extension for an additional five years.

Since that is the case at AM Acquisition I, LLC, d/b/a Hospital Español Auxilio Mutuo San Pablo, we wish to submit our request for such extension.

Please advise on any additional information we may be required to submit.

Cordially,

Carlos I. Rodríguez, MHSA
Administrator
