Holly,

This email is to acknowledge receipt of the letter from you, dated June 20, 2024, in response to the U.S. Nuclear Regulatory Commission's (NRC) letter dated May 23, 2024, transmitting a Notice of Violation.

In the June 20, 2024, letter, you identified the corrective actions that your company has taken or plans to take to address the violations. The NRC has reviewed the corrective actions, which appear to be adequate, and has no further questions at this time. The actions you have taken and plan to take to address the violations may be examined during a future inspection.

In accordance with the NRC's "Agency Rules of Practice and Procedure" in 10 CFR 2.390, a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Please feel free to contact me if you have any questions regarding this inspection.
