

July 02, 2024

Title: Meeting to Discuss the Nuclear Regulatory Commission's (NRC) 2023 Annual Assessment of Safety Performance at Wolf Creek Generating Station.

Date(s) and Time(s): July 26, 2024, 06:00 PM to 08:00 PM CT

Location: County Fair Grounds Kelley Park 11.
3rd Street and Alleghany Street
Burlington, KS

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The NRC will present and be available to discuss its assessment of safety performance at Wolf Creek Generating Station during calendar year 2023, as described in the attached 2023 annual assessment letter. NRC resident inspectors will be available to answer questions about the safety performance of the station and the NRC's role in ensuring safe plant operations.

Region IV

Docket No: 05000482

Comments: Certain portions of this meeting will be closed to the public because the staff has determined that the information (is proprietary in nature, contains safeguards information, etc.).

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
