Subject: Rescind License Amendment Request for ProTechnics Division of Core Laboratories LP  
NRC License # 42-26928-01 – Sealed Source License Conditions

Dear Mr. O'Keefe,

ProTechnics Division of Core Laboratories LP (ProTechnics) is rescinding the license amendment request dated June 5, 2024, requesting revisions to its radioactive material license #42-26928-01 to removed sealed sources listed as 'stored' or 'approved for alternate abandonment'. After discussion with you and your team on July 1, 2024, ProTechnics determined that a more detailed request should be submitted. ProTechnics will gather additional data to submit a request in the future.

Should you require additional information, please let us know.

Sincerely,

Jeremiah Diaz, RSO  
Director – Health, Safety, & Environmental  
ProTechnics, a Division of Core Laboratories
