Dear Ms. Bladey,

I approve the standard(s) for incorporation by reference into Title 10 of the *Code of Federal Regulations*, as listed in the attachment.

This approval is contingent upon the final rule containing any language changes that have been agreed upon by our staffs. The approval to incorporate by reference the publication(s) is effective on the effective date of your final rule. This approval will expire 2 years from the date of this letter unless you request an extension.

If you wish to enforce some other edition of the publication(s) approved, you must:

1. Publish notice of the change in the *Federal Register*, amend the *Code of Federal Regulations*; and
2. Ensure that a copy of that edition is on file at the Office of the Federal Register; and
3. Notify me in writing of the change.

If you have any questions concerning this incorporation by reference, please contact the Legal Affairs and Policy Division at fedreg.legal@nara.gov.

Sincerely,

I
Senior Staff Attorney
