

CLOSED MEETING ANNOUNCEMENT

Title: Call between the NRC and TRISO-X staff regarding chemical safety to discuss technical items related to the license application for a fuel fabrication facility.

Date(s) and Time(s): July 22, 2024, 11:00 AM to 12:00 PM ET

Location: Teleconference

Category: This is a Closed meeting. This covers closed meeting sessions requested pursuant to 10 CFR 2.390(d)(1), which relates to correspondence and reports to or from the NRC which contain information or records concerning a licensee's or applicant's physical protection, classified matter protection, or material control and accounting program for special nuclear material not otherwise designated as Safeguards Information or classified as National Security Information or Restricted Data.

Purpose: Call between the NRC and TRISO-X staff regarding chemical safety to discuss technical items related to the license application for a fuel fabrication facility.

Contact: Matt Bartlett

Participants: NRC External
Office of Nuclear Material Safety and Safeguards X Energy, LLC

Docket No: 07007027

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
