Subject: Oklo Inc.
Transmittal of slides for the July 24, 2024 meeting regarding safety analysis for fuel recycling

This letter transmits a copy of the slides to be presented at the meeting scheduled for July 24, 2024, between the U.S. Nuclear Regulatory Commission (NRC) and Oklo Inc. (Oklo). At the meeting, Oklo will present information on its approach to safety analysis for a fuel recycling facility. Enclosure 1 provides the proprietary slides and Enclosure 2 provides the accompanying affidavit.

Oklo requests that Enclosure 1 be withheld in its entirety from public disclosure pursuant to Title 10 of the *Code of Federal Regulations*, Section 2.390, due to including detailed confidential and proprietary business information and strategy as discussed in Enclosure 2.

If you have any questions or need any additional information, please contact me at ross@oklo.com or (650) 550-0127.

Sincerely,

A handwritten signature in black ink, appearing to read "Ross Moore".

Ross Moore
Senior Director of Regulatory Affairs
Oklo Inc.
