MANDATORY DECLASSIFICATION REVIEW

This is a request for Mandatory Declassification Review (MDR), pursuant to the provisions of the Executive Order on National Security Information, EO 13526. Specifically, I request MDR of the following classified NRC SEC'Y Papers:

78-186

78-202

78-240

78-241

78-254

78-257

78-286

78-292

I believe these papers are no longer currently and properly classified in whole. It has been nearly 45 years since the papers were classified and they have likely not been reviewed for declassification during the last two years, or since they were created in 1978.

Sincerely,

Michael Ravnitzky
