Corrections

In FR Doc. 2024-15234, appearing on page 57717 in the *Federal Register* of Tuesday, July 16, 2024, the NRC makes the following corrections:

Preamble

1. On page 57718, in the first column, in the eighth paragraph, the sentence "This final rule amends § 52.110(e) to remove the incorrect reference to § 50.2 and the introductory text of § 52.110(f) to remove the incorrect reference to § 52.1, since neither reference contains a definition for "decommissioning activities." is corrected to read "This final rule amends the introductory text of § 52.110(f) to remove the incorrect reference to § 52.1, since the reference does not contain a definition for "decommissioning activities."

Regulatory Text

2. On page 57721, in the first column, amendatory instruction 20 for § 52.110 is corrected to read “In § 52.110, revise and republish paragraphs (f) and (h)(1) to read as follows:”

§ 52.110 [Corrected]

* * * * *

(f) Licensees shall not perform any decommissioning activities, that—

(1) Foreclose release of the site for possible unrestricted use;

(2) Result in significant environmental impacts not previously reviewed; or

(3) Result in there no longer being reasonable assurance that adequate funds

will be available for decommissioning.

* * * * *

(h)(1) Decommissioning trust funds may be used by licensees if—

(i) The withdrawals are for expenses for legitimate decommissioning activities consistent with the definition of decommissioning in § 52.1;

(ii) The expenditure would not reduce the value of the decommissioning trust below an amount necessary to place and maintain the reactor in a safe storage condition if unforeseen conditions or expenses arise; and

(iii) The withdrawals would not inhibit the ability of the licensee to complete funding of any shortfalls in the decommissioning trust needed to ensure the availability of funds to ultimately release the site and terminate the license.
