Good morning, Kelly,

I checked both the regulation and 313A AUT form this morning and I agree with you. I understand that you also spoke with Jan. Apparently that changed when they made the change for not requiring the preceptor attestation for 35.100 & 200 and it must be that I have not added anyone since that. My apologies. You can disregard that piece of the RAI. Sorry for not catching that before I sent the RAI and thanks for bringing it to my attention.

Regards,

Robin L. Elliott
