Hi Lisa, thank you for following up.

We are in the process of completing the form to register three sources with OSRP which we understand is the necessary first step to initiate the process with SCATR: <https://osrp.lanl.gov/PickUpSources.aspx>

My father is doing his annual inventory this August and will collect additional information on the sources from the paperwork he keeps with them. We can set a deadline of August 30 for this stage of the process.

We will confirm with you once the information has been submitted.

Alex

Good Afternoon Alex,

I am following-up on our August 13<sup>th</sup> conversation. Has there been progress in arranging for the transfer or disposal of the sources? If so, could you please provide an update and the projected timeframe involved?

Thank you in advance for your cooperation in resolving this matter.
