Subject: Drop-In Visit with Westinghouse Electric Company
Date: Thursday, August 29, 2024 7:54:55 PM

Hi Stephanie – Please include this email in public ADAMS as a record of today’s (29 August 2024) drop-in visit.

Participants: Nader Mamish, Vice President of Global Nuclear Affairs, Westinghouse; Ray Kuyler, Deputy General Counsel, Westinghouse. Brooke Clark, General Counsel, NRC; Mary Spencer, Deputy General Counsel for LHE; Patrick Moulding, Deputy General Counsel for LRAA (Acting).

Topics:

Future plans for advanced reactors and fuels – AP300 design certification application; eVinci design certification, manufacturing license, and certification of compliance; LEU+ fuel; CO-60 manufacture.

ADVANCE Act, particularly new provision associated with foreign ownership, control, and domination and possible future discussion associated with a potential future threshold determination.

Use of artificial intelligence.

Renewal of the AP1000 design certification rule.

This meeting involved no handouts.

Brooke Poole Clark, General Counsel
U.S. Nuclear Regulatory Commission
