Subject: ADAMS Upload Request
Attachments: RAI Letter.pdf; 665 642577 Repsonse to Request for Information.pdf

Good Morning Matha and Sandy,

This is my first attempt at uploading a file to ADAMS, so I hope this contains everything you need. I received a response letter from a licensee and would like to work towards uploading it to ADAMS. I am not sure if the 665 is required at this point in time, but it is attached with the security determination completed.

Please let me know if there is anything else required with this request and I will be glad to provide what is needed.

Thank you!
