Subject: NEW YORK FY2024 FOLLOW-UP IMPEP SCHEDULING LETTER AND QUESTIONNAIRE

Hi Jackie. Attached are the NYC responses to the IMPEP questionnaire, and also some attachments containing information requested in the questionnaire. (We were not able to coordinate this response with the other New York agencies so the attached info is for NYC only.)

For what it's worth we are in the process of updating our inspection manual, and I was hoping to have the new one by now, but it isn't finished so I am attaching the old version.
