

November 19, 2024

Title: Public Pre-submittal Meeting with the Nuclear Regulatory Commission Staff and NextEra Energy Seabrook LLC (NextEra) regarding a proposed license amendment request (LAR) related to Seabrook's Off-site power sources.

Date(s) and Time(s): December 09, 2024, 10:30 AM to 11:30 AM ET

Location: Teleconference

Category: This is a Open meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: For the Nuclear Regulatory Commission staff and NextEra representatives to discuss a proposed LAR permanently modifying the Seabrook licensing basis for the Reserve Auxiliary Transformers (RATs) and Unit Auxiliary Transformers (UATs), using a deterministic approach with risk insights and demonstrating GDC 17 compliance.

Docket No: 05000443

Comments: Interested members of the public can participate in this meeting via the Microsoft Teams Link or by the Teleconference Number provided. For additional details, please call or email V. Sreenivas at the phone number or email address on the Public Meeting Notice or call the NRC's toll-free number, 1-800-368-5642, and ask the operator to be connected.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
