Undersigned counsel respectfully moves to withdraw from this case as counsel for Respondent United States of America due to a conflict of interest arising from the motion to intervene filed today by Florida Power & Light Company and NextEra Energy Point Beach.

Undersigned counsel contacted counsel for the other parties about this motion. Respondent U.S. Nuclear Regulatory Commission and putative intervenor Nuclear Energy Institute do not oppose the motion. Petitioners and putative intervenors Florida Power & Light Company and NextEra Energy Point Beach did not respond before the filing of this motion.

Respectfully submitted,
