Hello.
The answer to that question is no.
Thank you.
Amy

Message sent from a system outside of UConn.

Great,

One last question, so we can approve the unrestricted release of the room. In the time that the University of Connecticut has possessed the irradiator, have any leaking sources from the irradiator ever been identified?

Best Regards,

Sloan Scott

Hello Mr. Scott,

Attached, please find the requested leak test documents for UConn's August 26, 2024 amendment request to remove the irradiator from the license.
