

ATTN: Document Control Desk/Exempt Distribution

January 17, 2025

Office of Nuclear Material Safety and Safeguards

U.S. Nuclear Regulatory Commission

Washington, DC 20555-0001

Material Transfer Report: U.S.N.R.C. License No. 10-35311-01E
SSD Registration Certificate No. NR-1420-D-101-E

Attached is the Material Transfer Report required by 10 CFR 32.25(c) for AMERIGLO. This report covers the time period from Jan. 1, 2024 to Dec. 31, 2024. All of the distributed products were transferred for use under 10 CFR 30.19

Transferred materials were all in the form of Gaseous Tritium Light Sources (GTLS) permanently affixed within weapon sights as specified in SSD Certificate No. NR-1420-D-101-E

If you require any additional information or have questions about the report, please contact me at: 470-223-4163 or RCallihan@AMERIGLO.COM.

This report is highly confidential and contains information which is unavailable anywhere else and would be very damaging to AMERIGLO if released to our competitors. Therefore, it may not be copied without the express written permission of AMERIGLO, and we are requesting it be withheld from public disclosure per 10 CFR 2.390.

Sincerely,

Rick Callihan
Director of Operations, AMERIGLO Holdings, LLC

AFFIDAVIT

I, Richard Callihan, being sworn, depose and say as follows:

1. I am Radiation Safety Officer and Sales Manager of AmeriGlo Holdings, LLC. (the "Corporation"). In my capacity as such, I am authorized to execute this Affidavit on behalf of the Corporation and have reviewed the information set forth in Section 2.
2. I execute this Affidavit pursuant to 10 CFR 2.390 and request that the following be withheld in whole from public disclosure (collectively, the "Drawings"):

The following data, spreadsheets, drawings, pictures, and photographs (the "Drawings") in their entirety submitted to the U.S. Nuclear Regulatory Commission (the "Commission") in connection with the reporting, renewal or amendment of Exempt Distribution License No. 10-35311-01E, or Registry of Radioactive Seal Sources and Devices License No. NR-1420-D-101-E.

(a) Attachment 1: 2024 AmeriGlo Tritium Distribution

3. The Drawings contain trade secrets or privileged or confidential commercial or financial information, and such Information:
 - (a) has been held in confidence by the Corporation;
 - (b) is of the type that is customarily and rationally held in confidence by the Corporation due to the sensitive production, sales, and distribution volumes for each product line listed as well as the exact tritium content specification for each model;
 - (c) was transmitted to and, to my knowledge, received by the Commission in confidence;
 - (d) is not available in public sources; and
 - (e) is of the type and nature that, if disclosed publicly, is likely to cause substantial harm to the competitive position of the Corporation by disclosing exact production, sales, and distribution volumes of various AmeriGlo Holdings, LLC products as well as tritium content specifications for each model. If such information is revealed as public documents, it would reveal financial information such as company sales revenue by product line and may reveal the technology that AmeriGlo Holdings, LLC has researched & developed to become the leader in high quality optics and sighting devices, thus harming our competitive position.

AMERIGLO

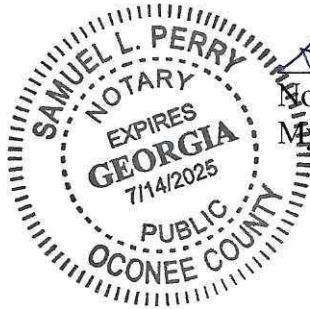

IN WITNESS WHEREOF, I have executed this Affidavit on January 17, 2025.

Richard Callihan
Radiation Safety Officer
