

Delegation of Authority

Memo To: Tim Bailey, RSO
From: Bradley Ball, Manager of Engineering
Subject: Delegation of Authority

You, Tim Bailey, have been appointed Radiation Safety Officer for Mingo Logan Coal, LLC and are responsible for ensuring the safe use of radiation. You are responsible for managing the radiation protection program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations where justified by radiation safety. You are required to notify management of situations where staff are not cooperating and not addressing radiation safety issues. In addition, you are free to raise issues with the United States Nuclear Regulatory Commission (USNRC) at any time. It is estimated that you will spend as many hours per month as needed conducting radiation protection activities.
