Mr. Kelly:

This letter is in response to your December 18, 2024 regarding Mail Control No: 642205 (Docket: 030-38009; License: 21-32740-01).

We conform that the complete and correct name of the transferee is Henry Ford Health System, d/b/a Henry Ford Health.

Also, we confirm that both transferor and transferee agree to transferring control of the licensed material and activity, and the conditions of transfer, and that the transferee has been made aware of any open inspection items and its responsibility for possible resulting enforcement actions.

Further, we confirm that the transferee will abide by all constraints, conditions, requirements, representations, and commitments of the transferor.

Mr. Jackson:

Responsive to your inquiry, I have followed-up with reviewing the request for agency consent to the transfer of control of U.S. Nuclear Regulatory Commission (NRC) Materials License No. 21-32740-01. Attached is a letter dated December 18, 2024, in which I am requesting additional or clarifying information.

As you will not receive a hardcopy of this request, please confirm that you have received this e-mail. The response should be signed by management representative for both the transferor and the transferee.

Lastly, I recognize that the Christmas and New Years Holidays are upon us. Therefore, please do let me know if you should need additional time to respond to the items in my request.
