Kristina,

Yes, that's correct. Initially, we will adopt Amendment No. 9 to the NAC-UMS CoC No. 1015, coincident with reconciling to the Renewed Amendment No. 9. to the NAC-UMS CoC No. 1015. Following the issuance of the NRC's Revision 1 to Renewed Amendment 9 of the NAC-UMS CoC No. 1015, we will adopt it in accordance with the time frame established by the NRC.

**Subject:** QUERY regarding planned adoption of Amendment No. 9 to NAC-UMS® CoC No. 1015

Good morning Daniel and Stan,

In its September 18, 2023, letter to NAC (ML23283A249), Maine Yankee Atomic Power Company (Maine Yankee) stated that it intends to adopt the revision to Amendment No. 6 to NAC-UMS® CoC No. 1015, following NRC approval and issuance of the revision. In its subsequent March 28, 2024, letter to NRC (ML24094A060), Maine Yankee stated that it plans to adopt Amendment No. 9 to CoC No. 1015 as part of its work to adopt the renewed CoC No. 1015.

Please provide the following information that is needed for NRC's development of the backfit discussion and rulemaking package for the request for NAC-UMS® CoC No. 1015, Amendment No. 10 and Revisions to Amendment Nos. 5 through 9 (ML23283A249):

- Does Maine Yankee Atomic Power Company intend to adopt the revision to CoC No. 1015, Amendment No. 9, following NRC approval and issuance of the revision?

If you have any questions regarding this request, please reach out to me or Norma Garcia-Santos (301-415-6999, [norma.garcia-santos@nrc.gov](mailto:norma.garcia-santos@nrc.gov)).

Thank you,  
Kris
