Christian:

We received exemption requests from Constellation for Nine Mile Point (ML25022A240) and Peach Bottom (ML25024A148). Based on today's conversation, you clarified the upcoming loading campaigns for both sites as follows:

- Nine Mile Point: The loading campaign will start in May 2025 to load 6 casks.
- Peach Bottom: The loading campaign will start in June 2025 to load 7 casks.

Please confirm the loading campaign information is correct.

Thanks,

*Yen*
