FWS Designation Letter for Proposed GLE Paducah Project ML25028A228.pdf

---

Hello everyone,

Please find the attached letter designating Global Laser Enrichment, LLC (GLS) as the non-Federal representative to conduct informal consultation under Section 7 of the Endangered Species Act for the proposed Paducah Laser Enrichment Facility in McCracken County, KY.

I welcome any questions or comments that you may have.

Thank you and have a pleasant weekend.

Amy
