Hello,

The provided document needs to be signed by Dr. Savas as well. This letter is a formal agreement to appoint the individual to the RSO position and must be signed by both parties.

Additionally, you must provide a brief a signed and dated cover letter signed by Dr. Savas requesting to name the individual to the license. When the cover letter and final Delegation of Authority are ready you may submit to me and I will process the amendment.

Please let me know if you have any questions.

Thank you,
Laura
