Casey Alldredge, Senior Health Physicist  
Division of Radiological Safety & Security  
Region I, USNRC

**RE: Braskem America, Inc. Neal Plant, Request for additional information, Mail Control No. 645282**

Dear Casey,

This letter is in response to your email on March 10, 2025, requesting additional information relative to our license renewal application. Our responses are in the order listed in your email.

1. **Regarding accountability.** We will develop, implement, and maintain procedures for ensuring accountability of licensed materials at all times.
2. **Regarding dosimetry usage.** A paper copy of the dosimetry exemption form and calculations are kept on file in the Radiation Safety Officers (Kenny Underwood) office for inspection by the USNRC.
3. **Regarding leak tests.** I confirm that records of leak test results will be maintained in the Radiation Safety Officers (Kenny Underwood) office for inspection by the USNRC.

We appreciate your assistance in proceeding with our license renewal. Should you need any additional clarification, please contact me.

Respectfully,

**Kenny Underwood**  
Sr. Mechanical Integrity Inspector  
Site Radiation Safety Officer  
Neal, WV Plant

**Laurence Kerrigan**  
Plant Manger  
Neal, WV Plant
