Re: Amendment to Radioactive Materials License

To Whom It May Concern:

Please find the enclosed request for amendments to the radioactive materials license for Colt's Manufacturing Company LLC; license number 06-35731-01.

Should you have answers or need further information, please contact me at [cscott@colt.com](mailto:cscott@colt.com) or (860)-244-1404.

Respectfully,

A handwritten signature in blue ink that reads 'Christopher Scott'.

Christopher Scott  
General Counsel, Secretary, and Chief Compliance Officer  
Colt CZ Group North America  
Colt's Manufacturing Company LLC  
CZ-USA

Enclosure

Amendment Request:

- 1) Please remove Glenn Fryer from the list of authorized users. Mr. Fryer now has a different role at the company and he is no longer associated with the tritium devices.
- 2) Colt is adding new gun sight models, which are in a new Family, and utilize a new source assembly, to its exempt distribution license and SSD. Amendments to those are being submitted to NRC Headquarters concurrently with this amendment. The new gun sight model will be manufactured by Česká zbrojovka a.s., (aka CZUB).

Please add the following to Colt's possession license:

- a. New gun sight models:
  - i. Front – 0950-0600-07002
  - ii. Rear – 0950-0690-08502
- b. New gun sight: Family 4
- c. New source assembly: Model 400/9 manufactured by mb-microtec ag.
- d. New manufacturer: CZUB

Attached is the amendment request being submitted to NRC Headquarters.
