Subject: CORRECTION: Request for Additional Information -TVA Alternative Request to Extend Watts Bar, Unit 2, Containment Inservice Inspection Interval (EPID L-2024-LLR-0081)
Date: Wednesday, April 30, 2025 7:22:00 AM

Dear Shawna Hughes:

By email dated April 29, 2025 (ML25119A129), I transmitted a request for additional information (RAI) to you regarding the Watts Bar, Unit 2, request for alternative to extend the Watts Bar Nuclear Plant, Unit 2, Containment Inservice Inspection Program interval. In both the email and its attachment, I incorrectly cited the date of the alternative request as December 12, 2025. The correct date should be December 12, 2024.

Sincerely,

Kimberly Green
