Diana and Tom, Powertech is willing to support the site tour participants with reimbursements of at least travel, time and accommodations. We are putting together a plan for the site visit and as soon as we have a date we will then be able to share our plans with NRC and the Tribal members that are planning to visit the site. Our preferred dates would be the 10th or the 11th of June as some of the enCore management may be able to make the trip up on those dates. Please call me tomorrow and I can fill you in on some of the details at this time.

Jon
