Rockville, MD 20852-2738

Dear DFM Director,

In accordance with the Memorandum of Understanding between our agencies, I request that you review the attached German Certificate of Competent Authority D/4365/AF-96, Revision 4, for the ANF-50 package and make a recommendation concerning our revalidation of the package for import and export use. To assist in your review, a copy of the package design safety report for the AN-50 package design, along with other supporting documents has been provided to your staff electronically.

If you have any questions or need any additional safety information, please feel free to contact me at (202) 697-1301 or via email at Rick.Boyle@dot.gov.

Sincerely,

Richard W. Boyle,
Radioactive Materials
Division of Sciences and Engineering
Office of Hazardous Materials Safety
