Good morning, Mr. Goldstein:

The Wisconsin State Historic Preservation Office (SHPO) has received, and reviewed the subsequent draft EIS for the Point Beach Nuclear Plant. We concur with your findings and determinations included in Section 3.9 (Historic and Cultural Resources). We also concur with your determination that the proposed federal undertaking will have No Adverse Effect on historic properties.

It is the opinion of the WI SHPO you have fulfilled your section 106 of the National Historic Preservation Act (NHPA) consultation requirements with our office. If your plans change or cultural materials/human remains are found during the project, please halt all work and contact our office.

Please use this email as your official SHPO concurrence for NHPA requirements of the project. If you require a hard copy signed form, please contact me and I will provide you a signed copy as soon as possible.

Sincerely,

Tyler Howe
