FOIA-2025-000503	Neiss, Downey	-	<p>This is a formal request under the Freedom of Information Act (5 U.S.C. § 552) for access to any and all records in the custody of, or reviewed by, the U.S. Nuclear Regulatory Commission (NRC) related to inspection planning, internal staff communications, and evaluation materials concerning the allegation submitted by Downey Neiss involving Fitness for Duty concerns at Salem Nuclear Generating Station during April 2025. Scope of Requested Records: 1. All inspection planning documents, memos, scheduling communications, or scoping outlines related to any NRC review, inspection, or response initiated based on or referencing that allegation. 2. All internal staff communications, meeting notes, draft review documents, or email threads involving NRC personnel that discuss how the agency would respond to or investigate the allegation. 3. Any pre-decisional drafts, interoffice correspondence, issue summaries, or internal deliberations related to the scope, classification, or prioritization of the inspection or allegation response. This request includes records maintained in NRC systems, archived communications, internal review folders, and interoffice documentation—whether finalized or informal—that reflect internal NRC handling of the matter. I request that all responsive records be delivered electronically. If any records are withheld, please identify the applicable FOIA exemptions and release all reasonably segregable portions. I request a waiver of fees, as the requested records relate to a matter of public interest concerning federal inspection planning, allegation handling, and oversight of Fitness for Duty protocols in the nuclear sector.
