Update of Licensee Contact Information**

Licensing Assistance Team,

Blackhawk Mining, LLC. is sending this letter to inform the U.S Nuclear Regulatory Commission for License **47-25301-01** (the subsidiary company Blue Creek Mining, LLC.) that Mr. Edward Brown has retired and concluded his employment with Blackhawk Mining, LLC. effective May 31, 2025. Effective **June 1, 2025**, Mr. Tracy Goff, P.E. has been selected to replace Mr. Brown in his duties as Senior Vice President. Mr. Goff is now the senior licensee manager for all of Blackhawk Mining, LLC, NRC Licensing Programs, including the above-mentioned license and shall be the new person of contact going forward. Mr. Goff's contact information is listed below. Mr. Travis Shamblin remains the RSO at this site.
