

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

June 16, 2025

Ashby Bridges, Vice President
of Facilities
General Matter, Inc.
1 Letterman Dr., Bldg D 5th Floor
San Francisco, CA 94129

SUBJECT: GENERAL MATTER, INC. - ONLINE REFERENCE PORTAL INFORMATION
ACCESS AGREEMENT

Dear Ashby Bridges:

General Matter, Inc. (GeM) and the U.S. Nuclear Regulatory Commission (NRC) staff discussed the use of an online reference portal to provide the authorized NRC staff and contractors with limited, read-only access to certain materials owned by and under the control of GeM. The use of the online reference portal enables the NRC staff to access reference materials, which would otherwise require the NRC staff to travel to the GeM site to review, to timely and efficiently perform its regulatory licensing responsibilities.

The NRC and GeM agree that the enclosed "Information Access Agreement" (Agreement) is the only acknowledgment form for authorized NRC staff and contractors needed to access the online reference portal, although the Parties will separately agree upon a list of authorized users. Proposed modifications or additions to the Agreement will need to be submitted to the NRC staff for review and approval. If the NRC staff determines that information viewed or accessed via the online reference portal should be submitted to the NRC and evaluated, the NRC staff will inform GeM and request that GeM formally submit such information in accordance with Title 10 of the *Code of Federal Regulations* (10 CFR) Section 70.5, "Communications," as stated in section 4 of the Agreement.

In accordance with 10 CFR 2.390, "Public inspections, exemptions, requests for withholding," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room (PDR) or from the Publicly Available Records component of the NRC's Agencywide Documents Access and Management System. ADAMS is accessible from the NRC website at <http://www.nrc.gov/reading-rm/adams.html>. The PDR is open by appointment. To make an appointment to visit the PDR, please send an email to PDR.Resource@nrc.gov or call 1-800-397-4209 or 301-415-4737, between 8 a.m. and 4 p.m. eastern time (ET), Monday through Friday, except Federal holidays.

If you have any questions about this matter, please contact Jonathan Rowley at (301) 415-4053 or via email at jonathan.rowley@nrc.gov.

Sincerely,

Signed by Lav, Samantha
on 06/16/25

Samantha Lav, Chief
Fuel Facility Licensing Branch
Division of Fuel Management
Office of Nuclear Material Safety
and Safeguards
