Reply to Attn of: QH/Radiation Safety Officer: 237-14

Subject: NRC License 04-07845-04 Radiation Safety Committee Membership

The purpose of this letter is to update records with our current Radiation Safety Committee membership. The retirements of the Radiation Safety Committee Chairperson and other members of the committee has resulted in the committee recruiting and voting in a number of new members including the elevation of the former alternate chairperson to the position of Chairperson. The Radiation Safety Officer for the license remains unchanged. Since the NRC no longer lists the committee chairperson by name on the license, it is my understanding that this notification may not require an amendment to the current license.

If you have questions pertaining to this letter, feel free to contact me at (650) 604-3979 or eric.d.packard@nasa.gov

Sincerely,

Eric Packard Digitally signed by Eric Packard
