**SUBJECT: RYDER MEMORIAL HOSPITAL, INC., ACCEPTANCE OF NOTIFICATION OF  
FUTURE LICENSE TERMINATION, MAIL CONTROL NO. 646945**

Dear Carmen Colón Meléndez:

This is in reference to your letter dated April 30, 2025, notifying the NRC that you wish to terminate your NRC License No. 52-21026-01 in the near future. When you are ready to terminate your license, please submit the following information in accordance with 10 CFR 30.36(j):

- (1) Please provide a completed NRC Form 314, "Certificate of Disposition of Materials" or equivalent information.
- (2) Please provide radiation survey results of all areas where licensed activities were carried out at the facility. The surveys should include area surveys and wipes for removable contamination.
- (3) Please provide the calibration certificates for the survey instruments and well counter used to conduct the radiation surveys, showing that each instrument is properly calibrated and tested.
- (4) Please provide disposal and/or transfer records demonstrating proper disposal or transfer of all remaining NRC licensed materials, including sealed sources, 10 CFR 31.11 materials/kits, and radioactive waste.
- (5) Please provide the latest sealed source leak test results demonstrating no leakage prior to transfer and/or disposal.
- (6) Please indicate what byproduct materials under 10 CFR 31.11 were utilized and the last date that in-vitro studies were performed. Alternatively, you may confirm that you never possessed 10 CFR 31.11 materials under NRC License No. 52-21026-01.

If you have any questions regarding terminating your license, please contact Christopher Rapson at 610-337-5198 or via electronic mail at [Christopher.Rapson@nrc.gov](mailto:Christopher.Rapson@nrc.gov) so that appropriate answers can be provided. If you have any questions regarding your licensing fees, please contact the Accounts Receivable License Fee Help Desk at 301-415-7554 or via electronic mail at [Fees.Resource@nrc.gov](mailto:Fees.Resource@nrc.gov) to determine whether you may receive an adjustment to your licensing fees.

Sincerely,

Janice Nguyen, Senior Health Physicist  
Medical and Licensing Assistance Branch  
Division of Radiological Safety and Security
