Dear Mr. Dircks:

During its 259th meeting, November 12-14, 1981, the ACRS discussed proposed Revision 1 to Regulatory Guide 1.23. The Committee deferred action on this Guide pending an evaluation by the Committee for Review of Generic Requirements (CRGR). Subsequent to the CRGR's evaluation, the ACRS will reconsider this Guide in one of its future meetings.

Please let me know the expected schedule for the CRGR's review of this Guide so it can be scheduled for ACRS consideration.

Sincerely,
