---

Good morning,

My name is Charles Stanko; I am processing the renewal of the Model No. CHT-OP-TU. While reviewing the request for renewal for CHT-OP-TU (Docket 71-9288), I noticed that there is an error in the document referenced. Specifically, the application (attached for clarity) states that its sole reference is:

**“Certificate of Compliance No. 9288, Revision 12, for the Model No. ANF-250 Packaging, dated July 13, 2020.”**

Please fix the typo and resubmit a revised application document at your earliest convenience.

Thank you,
