Subject: Docket No. 07000925; NRC License No. SNM-928  
Cimarron Environmental Response Trust  
Proposed Reallocation of Remediation Costs Among Trust Accounts  
(April 28, 2025)

Dear Mr. Crawford,

Thank you for the referenced letter justifying reasoning to reallocate remediation costs among trust accounts. The Department of Environmental Quality (DEQ) has reviewed the proposal and approves reallocating the requested percentages (18.9% of remediation costs to the State Account and 81.1% to the Federal Account) for costs incurred on and after January 1, 2025.

Please contact Rachel Miller at 405-702-5140 or [Rachel.Miller@deq.ok.gov](mailto:Rachel.Miller@deq.ok.gov) with any comments or questions.

Sincerely,
