Dear Sharon Adams:

This is in reference to your letter dated May 28, 2025, requesting to amend NRC License No.06-08544-014. In order to continue our review, we need the following additional information:

1. Regarding changing the radiation safety officer from Dr. Sandhu to the consultant radiation safety officer, Matthew Drexel, M.S., please provide business contact information (i.e., phone number and email address).
2. Regarding the addition of Dr. Maryann Mikucki from New York, please provide proof that Dr. Mikucki is authorized to work in the state of Connecticut as a physician.

We will continue our review upon receipt of this information. Please reply to my attention at:

In order to continue prompt review of your application, we request that you submit your response to this letter within **15 calendar days** from the date of this letter.

An electronic version of the NRC's regulations is available on the NRC Web Site at: www.nrc.gov. Additional information regarding medical uses of radioactive materials may be obtained on the NRC Web Site at: <http://www.nrc.gov/materials/miau/med-use-toolkit.html>. This site also provides the updated Training and Experience NRC Form 313A series of forms and guidance, as well as information on the revised regulations for naturally-occurring and accelerator-produced radioactive materials (NARM).

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice and Procedure," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web Site at: <http://www.nrc.gov/reading-rm/adams.html>. Please be aware that you may request that certain portions of your submittal to the NRC be withheld from public disclosure as proprietary information. To do this, you must execute an affidavit as specified in 10 CFR 2.390. You must list all the portions that you wish to be held proprietary, along with your reasoning as to why that

is appropriate. While it is allowable, please refrain from submitting proprietary information in support of a license unless necessary. Keep in mind that all NRC licenses are considered to be in the public domain and therefore may be viewed by any member of the public who requests to see them.

If you have any questions regarding this request for additional information, please contact me at (610) 337-5370 or via electronic mail at Kelli.Trotter@nrc.gov.

Thank you for your cooperation.

Sincerely,

Kelli Trotter, Health Physicist
