FROM: Chair Hanson

SUBJECT: SECY-21-0110: Rulemaking Plans to Implement the Results of the Retrospective Review of Administrative Requirements Evaluation

Approved X Disapproved Abstain Not Participating

COMMENTS: Below X Attached None

The staff did a noteworthy job gathering input from a variety of stakeholders on potential efficiencies that can be realized by reducing unnecessary administrative burdens. The options provided for consideration are clear and consistent with prior Commission direction. For the reasons outlined by staff in SECY-21-0110, I approve the recommendation to proceed with Alternative 5 and delegate signature authority to the Executive Director for Operations for the rulemaking.
