Dear NRC Freedom of Information Act Officer,

I am writing to make a formal request under the provisions of the Freedom of Information Act (FOIA), 5 U.S.C. § 552, to obtain copies of records regarding the incident that happened at SpectraTek Unit of ProTechnics, Division of Core Lab, LP on October 22, 2019. The incident occurred in the Agreement State of New Mexico. The New Mexico Environment Department (NMED) contacted the NRC to assist with the incident. Records would include, but are not limited to, dose calculations, dose reconstruction, interview records, correspondence with NMED, contractors, intra-agency communications, survey results, bioassay results, etc.

I'm requesting the documents be sent via email, if possible. Please inform me if the cost will exceed \$500 before the searching or copying commences.

I am requesting an expedited response due to regulatory constraints.

Thank you for considering my request.

Sincerely,
