Good morning, Adrienne - The Nuclear Regulatory Commission (NRC) completed its review of the records associated with CEQ's FOIA 2025-285. The letters and their enclosures are fully released online in the NRC's ADAMS [Agencywide Documents Access and Management System] database, which contains publicly available official agency records. Enter the ML numbers below in the search bar and you can access the records:

ML25027A386

ML25078A173

Kindly note that for ML25027A386, only one letter was loaded in the system. You will see on page two that it references an identical letter was sent to The Honorable Katherine Scarlett.

You may contact me with any questions.

Thank you.

Kind regards,

**Alecia S. Sillah**
