**Subject:** [External\_Sender] RE: Request: Review Telephone call Summary by 7/8 (NPC)  
**Date:** Wednesday, July 2, 2025 12:00:00 PM

---

Norma,

Our team is looking at the notes now and we will provide feedback shortly. While reviewing the notes, Chris Kmieciak pointed out that the KENO bias number is GNF proprietary information, as shown in Section 6.8.2 of the NPC SAR. Therefore, the number should not be in the public domain, either in the NRC question or the notes from today's call.

Regards,

Lisa

Good morning,

Attached is the draft summary of today's phone call for your review. Please provide me any edits by 7/8.

Lisa, please provide consolidated edits from your organization using track changes.

Please contact me if you have questions.

Thanks in advance,  
Norma
