

July 24, 2025

Title: Alternative Dispute Resolution (ADR) Mediation with International Isotopes

Date(s) and Time(s): August 06, 2025, 08:00 AM to 05:00 PM CT

Location: NRC Region IV Office, Conference Room 1
1600 E Lamar Blvd
Arlington, TX

Category: This is a Closed meeting. Indicates that the administrative burden associated with public attendance at the meeting could interfere with NRC staff's execution of its safety and regulatory responsibilities, such as when the meeting is an integral part of the execution of the NRC inspection program.

Purpose: To conduct a mediation session regarding the apparent violations associated with organization and management of the licensee's broad scope license, control of licensed material, and dose limits to members of the public. The apparent violations are documented in NRC Inspection Report 030-35486/2023-002, Agencywide Documents Access and Management System (ADAMS) Accession No. ML25094A089.

Contact: Austin Roberts

Docket No: 03035486

Comments: This meeting will be CLOSED to members of the public because it involves alternative dispute resolution, a process that is confidential

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
