**SUBJECT: REVIEW OF HONEYWELL METROPOLIS WORKS EXECUTED FINANCIAL INSTRUMENTS REQUIRED IN ORDER EAF-NMSS-2025-0127 APPROVING REQUEST FOR CONSENT TO TRANSFER CONTROL OF LICENSES - ENTERPRISE PROJECT IDENTIFIER NUMBER L-2025-DFA-0021**

Dear Anne T. Madden:

On June 17, 2025, the U.S. Nuclear Regulatory Commission (NRC) issued Order EAF-NMSS-2025-0127 (Agencywide Documents Access and Management System [ADAMS] Accession No. ML25141A096) providing its consent to the direct and indirect transfer of control of the materials and export licenses held by Honeywell International Inc. (Honeywell), and the indirect transfer of control of Honeywell's economic interest in ConverDyn (the Transaction).

Condition 2 of the Order stated that, at least 10 business days prior to closing the Transaction Honeywell must provide executed decommissioning financial assurance instruments in the name of the new licensee which will cover the most recently approved decommissioning cost estimate. By letter dated July 24, 2025 (ML25209A485), in accordance with the Order's Condition, Mr. Chuck Anthony, Vice President and General Counsel, Health, Safety, Environment, Product Stewardship, and Sustainability, submitted originals of Honeywell's executed decommissioning financial assurance instruments for NRC staff review and final approval. Review of Mr. Anthony's submittal was assigned Enterprise Project Identifier (EPID) Number L-2025-DFA-0021.

The NRC staff has completed its review of the submitted documents and has determined that the submitted decommissioning financial assurance instruments are sufficient to cover the current costs as approved by the NRC. As such, the NRC staff has determined that with the submittal of the executed instruments Honeywell has met Condition 2 of the Order.

Enclosed please find a copy of the executed decommissioning financial assurance instrument signed by Mr. Jacob Zimmerman, Acting Director, Division of Rulemaking, Environmental, and Financial Support, Office of Nuclear Material Safety and Safeguards. As instructed in Mr. Anthony's July 24, 2025, letter, the NRC is keeping one signed original executed financial assurance instrument.

The Enclosure to this document contains Official Use Only and Proprietary Information. When separated from the Enclosure, this document is decontrolled.
