Gerond,

Both days would work for us, but very slight preference for September 3rd – I hope at 9am?

Gerond,

I was out of the office on Friday. I am actually traveling that week of the 12th/13th which is why we were trying to avoid it, but I will give you a call later today and we can figure out a date.

Thanks,
Kim

Kimberly,
I received your email. We'll look at that week and our staff's availability.

We were hoping your team would be available the morning of August 12 or morning of August 13, as

we like to typically complete the PEC within 30 days of the issuance of the letter.

Please call me at the number below so that we may focus in on the date of the meeting.

Thanks

Gerond,

In regard to the Apparent Violations in NRC Inspection Report No. 72-1014/2024-201, Reference number EAF-NMSS-2025-0102, received on July 17, 2025, Holtec is requesting to hold a pre-decisional enforcement conference (PEC) with NRC staff to provide additional information for consideration prior to a final enforcement decision.

If convenient for the staff, Holtec would like to schedule the conference for the week of August 26th.

Thanks,
Kim
