Subject: Submitted Notification Clarification

Discussion:

C. Krout called to discuss submitted letters dated June 06, 2026 (ML25161A052 and ML25161A043). The license number referenced within the letter conflicted with the license number in the letter address. C. Krout verified the mailing address is to be updated if it is not currently the address specified on the letter, but no re-location of storage occurred.

Action Required: Licensee to send updated letters.
