Subject: Confirmation Regarding Proprietary Content – Revision 1, Part 2 of the Combined License Application for the President Donald J. Trump Advanced Energy and Intelligence Campus, Units 1–4 (Project No. 999-2146)

Dear Ms. Sampson:

On August 20, 2025, Fermi America submitted Revision 1 of Part 2 of the Combined License Application (COLA) for the President Donald J. Trump Advanced Energy and Intelligence Campus, Units 1 through 4, located in Carson County, Texas.

This letter confirms that the submittal of Revision 1 to Part 2 of the COLA does not include any proprietary information. The document was prepared using publicly available information, with some sections marked “TO BE PROVIDED LATER” to identify areas still in progress.

Accordingly, Fermi America authorizes the NRC to make this submittal publicly available in the Agencywide Documents Access and Management System (ADAMS) consistent with 10 CFR 2.390.

If you have any questions, please contact me at NuclearLicensing@fermiamerica.com or +1-512-289-3106.

Sincerely,

A handwritten signature in blue ink that reads "Toby Neugebauer".
