SUBJECT: CARDINAL HEALTH, LLC, ACCEPTANCE OF DECOMMISSIONING FUNDING
PLAN, MAIL CONTROL NO. 641235

Dear Evan Western:

We have reviewed the Decommissioning Funding Plan (DFP) (ML24159A468) enclosed with your letter dated June 4, 2024, to meet the financial assurance requirements for your license. On August 21, 2025, we requested a current DFP based upon 2025 calculations. We received and reviewed the updated DFP dated September 4, 2025. We have no further questions about the DFP at this time. Your next revision to your DFP is due September 4, 2028.

Additionally, we discussed the updating of your financial instruments and the fact that obtaining a new surety bond and statement of intent would not be possible prior to the transition of Connecticut becoming an Agreement State. Therefore, this action is being administratively closed. The revised financial instruments should be submitted and handled through the Connecticut Agreement State Program after October 1, 2025.

Thank you for your cooperation in this matter. If you have any questions regarding this letter, please contact me at (610) 337-5102 or via electronic mail at shawn.seeley@nrc.gov.

Sincerely,

SHAWN SEELEY
