FOIA-2025-000712	O'Halloran, John	University of Nebraska at Omaha	Please see the FOIA request below. I'm requesting text-focused travel/event materials associated with NRC's Evidence Act officials—the Evaluation Officer (EO), Chief Data Officer (CDO), and Statistical Official (SO)—for January 1, 2019 through September 16, 2025. To reduce burden, I'm prioritizing TA "purpose/justification" narratives and attachments (e.g., agendas,	09/19/2025

FOIA-2025-000712 (continued)			programs, read-aheads) and excluding routine cost artifacts unless inseparable. If you have any questions about scoping or sequencing, I'm happy to refine. Request scope (2019–Sep. 16, 2025): For NRC's Evidence-Act-designated officials—EO (Jody Martin), CDO (Basia Sall), SO (Doris Lewis)—please produce text-focused travel/event materials showing exposure to events/ideas during official travel. Prioritize in this order: (1) ETS2/ConcurGov TA "purpose/justification" narratives + attachments (programs, agendas, invitations, read-aheads). If stored as PDF snapshots, include those PDFs with attachments. (2) Post-trip reports/after-action/event summaries. (3) Ethics/WAG approvals for events attended/spoken at (memos/forms identifying event, sponsor, date, subject, role). (4) Speaking materials (requests/acceptance, remarks, talking points, slide decks) only if filed with the same TA/post-trip/WAG package. Exclusions: receipts/per-diem/line-item cost data unless inseparable; duplicative copies; mass newsletters. Search cues: in ETS2/ConcurGov, pull TA "purpose/justification," comments/notes to approver, attachments; in component repositories, filter filenames/fields for conference/summit/symposium/forum/annual meeting/workshop/panel/keynote/plenary/abstract/program/agenda; trip report/after-action. Start with trips tagged registration or containing those terms. Format: electronic; include native attachments and CSV/XLSX exports of TA text fields and attachment filenames. Note: If any listed office does not create post-trip reports, please so state.	
APP-2025-000008	Gonzalez, Andrew	-	I'm writing to appeal the final determination issued by your office on September 19, 2025, regarding my Freedom of Information Act (FOIA) request, FOIA-2025-000662. APP-2025-000008 (continued)			this application of Exemption 6 was improper. The decision to withhold this information fails the required balancing test, gives too much weight to a minimal privacy interest, and ignores the fact that the redacted information is already in the public domain. For these reasons, I would like you to grant this appeal and release the record in its entirety.
